

THE AMERICAN BOARD OF ORTHOPAEDIC SURGERY CERTIFICATION EXAMINATIONS ACCOMMODATIONS POLICY AND PROCEDURES

Purpose:

This policy provides the guidelines for the evaluation and granting of requests for reasonable accommodations in the administration of The American Board of Orthopaedic Surgery (“ABOS”) certification and MOC/recertification examinations to qualified applicants with disabilities and to ensure that the examination is administered in a manner that does not discriminate against such applicants in violation of the Americans with Disabilities Act (ADA).

Policy:

The ABOS will grant reasonable testing accommodations to qualified individuals with disabilities that timely apply and provide the necessary supporting documentation. All requests for accommodations will be considered on a case-by-case basis.

Qualified Applicants

The ADA defines an individual with a disability as a person who has a physical or mental impairment that substantially limits that person in one or more major life activities, has a record of such impairment, or is regarded as having such impairment. “Major life activities” include functions such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. A “qualified” individual with a disability is one who meets the statutory and regulatory requirements to sit for the examination and with or without reasonable accommodation, can perform the essential functions of an orthopaedic surgeon.

Reasonable Accommodation means a modification in the examination administration that does not fundamentally alter the requirements for licensure or the measurement of the knowledge, skills and abilities the examination is designed to test and that does not impose an undue hardship.

Applicant’s Responsibilities

The applicant has the responsibility of submitting the requested supporting information in a timely manner. The required documentation shall include a diagnosis of the specific disability by a professional qualified to assess and diagnose the asserted disability.

Procedure to Request an Accommodation

1. The applicant must submit a completed Accommodation Request Form (attached as Exhibit A) and the required documentation based on the following schedule:
 - ◆ Part I: Part I Examination Application Deadline
 - ◆ Part II: Part II Examination Application Deadline
 - ◆ Recertification:
 - Oral or Computer Based Recertification Examinations: Application Deadline
 - ABOS Web Based Longitudinal Assessment: A minimum of 30 days prior to the first day of that year’s administration window.

Receipt of the Request Form and required documentation will be acknowledged by the ABOS.

2. The documentation must include:
 - ◆ A current, valid, professionally recognized diagnosis of the candidate's disability (e.g. pursuant to the Diagnostic and Statistical Manual of Mental Disorders (DSM IV: revised)) by an appropriately qualified expert with copies of and reported scores from professionally recognized diagnostic tests, where applicable.
 - ◆ Documentation that clearly identifies the nature and extent of the functional limitations that exist as a result of the diagnosed disability.
 - ◆ Sufficient evidence to demonstrate that the functional limitation substantially limits the individual in performing one or more major life activity.
 - ◆ Specific information about the significance of the impact the disability has on the candidate in the testing environment.
 - ◆ A history of any accommodations previously granted in any educational program or examination.
 - ◆ Specific recommendations for accommodations.
 - ◆ An explanation of why each accommodation is recommended and why it is necessary to alleviate the impact of the disability in taking the examination.
3. As designated on the Request Form, the applicant must authorize the disclosure of the submitted documentation for the sole purpose of reviewing the accommodation request.
4. The ABOS reserves the right to request additional information from the candidate requesting accommodations on its examinations.
5. If the applicant's documentation is incomplete or insufficient, notice will be given to the applicant.

Confidentiality of Required Documentation

Submitted documentation will be kept confidential, and will be disclosed only to authorized ABOS staff or consultants for the sole purpose of evaluating the accommodation request.

Review of Accommodation Request Form

The ABOS will review the request only after receiving all of the required documentation. Each request will be considered on its own merit relative to the documentation received regarding the disability. The ABOS may seek the review of the documentation by a qualified healthcare professional to assist in the evaluation of the request.

Notification of Determination

The ABOS will notify the applicant in writing when the review is complete. If the request is denied, the letter will state the reason for the denial. An applicant denied a request for a testing accommodation may appeal that decision in accordance with the ABOS's Rules and Procedures posted on the ABOS's website at www.abos.org.
