To allow for the extended break time, the Part I Examination is taken over a two-day period. If you are a breastfeeding person and would like to request to take the 2025 Part I Examination on July 14th and 15th, with the additional 45 minutes of break time each day and access to nursing mother space, please complete the attached form and return it to accommodations@abos.org by **March 1, 2025**.
