

ABOS Breastfeeding Candidate Form Part II Board Certification Examination

The ABOS provides nursing mother space during the Part II Board Certification Examination for breastfeeding individuals to allow for pumping. The Part II Examination is conducted over 3 hours and 15 minutes, including the Candidate Briefing. If you are a breastfeeding person and would like to request the use of this space before or after your Examination, please complete the attached form and return it to accommodations@abos.org by **March 1, 2025**. Requests submitted after the deadline cannot be guaranteed.
